## 5 tool softball

### **February 2, 2020: Youth All-Skills**

This youth aged clinic will serve as an all-skills clinic for players aged 8-13. The clinic will cover the main components of the game including hitting, bunting, base running, throwing, defense, pitching and catching.

**This clinic will be worked by the members of the George Mason Softball team and staff! The clinic space is limited to 50 campers in each section and will close when that number is reached.**

**1:00—3:00 pm Ages 8-10 \$60**

**3:00—5:00 pm: Ages 11-13 \$60**

### **January 12, 19 and 26, 2020: High School All-Skills**

This high school aged camp will feature all the major aspects of the game including: throwing, hitting, bunting, base running, defense and pitching. This camp is great for players of all skill levels as it will cover a lot of information and the campers will leave with a multitude of drills and techniques to use in the future. Again, campers must be 13-18 years old to attend this camp. **The camp space is limited to 65 campers and will close when that number is reached.**

**1/12 1:00-5:00pm \$125**

**1/19 1:00-5:00pm \$125**

**1/26 1:00-5:00pm \$125**

**All clinics will be held in the George Mason University Field House. Registration can be completed at [joeverbanicsoftballcamps.com](http://joeverbanicsoftballcamps.com)  
Open to any and all registrants**
